PALACE RESTAURANT IN WIĘKSZYCE

The beautiful 19th-century palace in Większyce invites you to a culinary feast, as it houses an exclusive restaurant. The property currently boasts seven beautiful and unique rooms that can be customized to suit the individual needs and preferences of guests. A marble staircase surrounded by original frescoes leads to the restaurant, which after months of renovation, delight guests staying in the palace, whetting their appetites to explore the palace's other rooms. The restaurant offers exquisite cuisine, stylish interiors and the ability to host weddings, special events, business meetings and civil ceremonies. The restaurant also offers catering services, hosts various events and concerts, and has a terrace with outdoor seating surrounded by flowers and greenery.
